IV.01 Newly improved GE Plan B- 30 minutes

Cabinet will be informed on the new plan B, which will be presented by Carrie Edwards and Ken Matsuura from the curriculum committee. They will be changing GE Plan B as of next academic year in response to changes in the law and at CSU. The Curriculum Committee has a subcommittee that has been studying this extensively and developed two options for Plan B revision. Currently the Curriculum Committee does not have a student representative, but I would still like the students to be aware and share an opinion related to this change should they desire. This is an information item no action is required.

V.02 Grad Fair - 15 minutes

Cabinet members will be provided information regarding either volunteering for the grad fair or signing up to receive items if they are graduate. Our advisor AJ will be giving us information regarding both the grad fair and graduation/commencement volunteers needed. This is the opportunity to volunteer and represent ASCC if the student is not graduating. This is an informational item and no action is required.
