MEMORANDUM

TO: ASCC

FROM: Gilbert J. Contreras, Ph.D. *Gilbert J Contreras*
Dean of Student Services

RE: Funding request for Commencement exercises

DATE: January 27, 2016

This memo serves as a special request for ASCC to fund upgrades for commencement exercises in the amount of **\$54,580.60**.

Request for ASCC Funding for Commencement 2016	
1 Chairs for Family/Guests on the Field (4,000)	\$ 3,000.00
2 Rental for Video Wall	\$ 25,893.04
3 Upgrade stadium to live stream commencement	\$ 2,487.56
4 Banners to brand/wrap visitor seating	\$ 16,000.00
5 Banners for academic divisions	\$ 7,200.00
	TOTAL \$ 54,580.60

1. Chairs for Family/Guests on the Field

The estimate is to rent 4,000 chairs for family and guests of the 900 anticipated graduates to sit during the graduation ceremony. We anticipate a rental price of \$0.75 per chair. Each student will receive 4 or 5 tickets for field seating. The remaining guests will sit on the stadium seating on the home side (West side).

2. Rental for Video Wall

The quote is to provide a large LED screen facing the stadium seating on the home side for guests to view the stage.

3. Upgrade stadium to live stream commencement

The quote is to provide stadium upgrades necessary if students want the graduation exercises to be available via live stream.

4. Banners to brand/wrap visitor seating

The estimate is to purchase large banners that cover the seating on the stadium seating on the visitor side (East side). In the past, people sitting on this side of the stadium look directly in to the sun. The proposed layout will remove seating from this area and provide families/guests with a closer view on the field.

5. Banners for academic divisions

The estimate is to purchase 8 division banners representing the 8 academic areas of Cerritos College. These banners will be placed near the stage for decoration and branding.

What is the rationale for ASCC to pay for Commencement upgrades?

Commencement is one of the most important celebrations for Cerritos College students and our local community. Nearly 8,000 people attend and nearly 900 students participate in this educational milestone. The upgrades requested will enhance the overall experience for people in attendance and those viewing through the live stream.

What will be the impact if ASCC does not fund this request?

Commencement exercises will utilize the same plan from last year with minor improvements from existing funds.

CERRITOS COLLEGE FALCON FORENSICS

January 1, 2016

Dear Colleagues:

The Cerritos College Falcon Forensics squad is pleased to invite you to attend the annual Tabor-Venitsky Invitational Speech and Debate Tournament to be held on Friday and Saturday, February 12 and 13, 2016. Once again, this year we will be working in conjunction with an outstanding tab room staff to provide you with an exciting tournament.

The Tabor-Venitsky traditionally provides a competitive preview of the PSCFA Spring Championships, CCCFA State Championship, as well as Phi Rho Pi. We hope you will join us once again. For the Tabor-Venitsky we will offer four rounds of Parliamentary debate breaking to a bronze/gold elimination round format on Friday and three rounds of Individual Events breaking to finals on Saturday. Each day will feature a quick awards ceremony. Students may enter a maximum of two IE events per pattern. We will offer two divisions in parliamentary debate and individual events. Please review page 4 for novice eligibility. ***The open division in both debate and individual events will be limited to students with remaining CCCFA and/or Phi Rho Pi eligibility ONLY.*** There will be no coaching allowed during preparation time in parliamentary debate.

Please submit your entries on www.forensicstournament.net. The website will be active January 12, 2016. All entries must be submitted by Tuesday, February 10, 2015 at 6:00pm PST. Fees will be assessed on Wednesday February 9, 2016 at 6:00pm. Any adds after that date will be at the tournament director's discretion. However, please email with drops through Friday to assist in paneling. We are excited about hosting the Tabor-Venitsky and the Southern California LD Championships and look forward to seeing you there.
