Statement of compliance with EADA 2021-22

Cerritos College annual completes the Equity in Athletics Disclosure Act (EADA) survey, as part of the college's Federal compliance requirement and its competition in intercollegiate athletics. Cerritos College annual competes in intercollegiate athletics through the California Community College Athletic Association (CCCAA).

The survey has been locked as of October 28, 2022.

This abbreviated report will be posted on our website for informational purposes for our athletics year 2021-22, in the Human Resources Office.

- Cerritos College provides 19 intercollegiate athletic programs for over 400 student-athletes.
- Cerritos College did compete in Intercollegiate Athletics in 2021-22
- Cerritos College does not provide any athletically related student aid to men's or women's teams.
- Cerritos College does not provide any recruiting expenses to men's or women's teams.
