This CSULA major has “major-specific admission requirements” which are focused on transfer student preparation that predicts success in the major and promotes timely degree completion. The criteria below reflect the current criteria as well as changes that will be used for the Fall 2023 admission cycle. The criteria listed will be reviewed annually for future admission cycles. For Fall 2023 term admission, coursework must be completed no later than the Spring 2023 term. For Spring, 2024 term admission, coursework must be completed no later than the Summer 2023 term. Transfer students must meet minimum CSU Upper-Division Transfer Eligibility Requirements to be considered. Admission determination is then based on the major-specific criteria.

This CSULB major has “major-specific admission requirements” which means that CSULB will require the specified courses to be completed for admission if a student is not completing an AAT or AST degree deemed “similar” by CSULB. **These criteria will be used for Fall, 2023 and Spring, 2024 admission consideration. Admission criteria are subject to change for future admission cycles.** Here is the link:

<https://www.csulb.edu/admissions/major-specific-requirements-for-transfer-students>.

For some majors, the major-specific courses may be general education courses so please consider listing the appropriate GE categories (e.g. Category C or Category D) for those courses.
