This CSULA major has “major-specific admission requirements” which are focused on transfer student preparation that predicts success in the major and promotes timely degree completion.

The criteria below reflect the current criteria as well as changes that will be used for the Fall 2023 admission cycle. The criteria listed will be reviewed annually for future admission cycles.

For Fall term admission, coursework must be completed no later than the prior Spring term. For Spring term admission, coursework must be completed no later than the prior Summer term. Be aware: Cal State LA currently only considers transfer students for Fall admission. Should additional spaces be available, Spring term applications may be considered in the future. Here is the link: <https://www.calstatela.edu/admissions/major-specific-criteria>

Be Aware: Students can only apply **once** to the Cal State LA nursing program and must either be a Cal State LA Pre-Nursing student or a new transfer applicant. Students admitted to a major other than Nursing, will not be able to change their major to Nursing during their tenure at Cal State LA.

Minimum requirements for transfer student consideration:

- **Required minimum cumulative GPA: 3.25**
- **Required major preparation courses (grade of "B" or better required in first attempt)**
- **Required General Education courses (grade of "B" or better required in first attempt)**

This CSULB major has “major-specific admission requirements” which means that CSULB will require the specified courses to be completed for admission if a student is not completing an AAT or AST degree deemed “similar” by CSULB. These criteria will be used for Fall, 2023 and Spring, 2024 admission consideration. Admission criteria are subject to change for future admission cycles. If a major is highly impacted, it will be noted in the description of each major and additional supplemental criteria and requirements are indicated in the specific details.
